Introduction

Thank you for choosing AmTrust Europe Limited for **your** Landlord Insurance.

This policy wording, the **schedule** and any endorsements, form the contract between **you** and **us**. Please read all of these documents to make sure they provide the cover **you** want. If they are not correct or do not meet **your** needs, please contact **your broker**.

The **schedule** identifies the **sections** of cover that apply and their **sums insured**, which should represent the reinstatement cost and limits of indemnity (the amount of cover **you** have).

If **your** insurance needs to be changed during the **period of insurance**, please let **your broker** know as soon as possible. **You** must tell **your broker** immediately about any changes to the information **you** have provided, the use of **your property**, if **your property** is going to be **unoccupied** or the **sums insured** shown on **your schedule**. Failure to do so may invalidate **your policy** or result in certain covers not operating fully.

Important Information

*If **you** are a private individual the following applies to **you**:*

Giving us all the important information

When **we** accept **your** application for this insurance, **we** will rely on the information **you** give. **You** must take reasonable care to provide complete and accurate answers to the questions asked when **you** take out, or make changes to, **your policy**. If the information provided by **you** is not complete and accurate the extent of cover may be affected and:

- **we** may cancel **your policy** and refuse to pay any claim; or
- **we** may not pay any claim in full.

*If **you** are part of a partnership, a sole trader, a limited company or other legal entity the following applies to **you**:*

Your Duty of Disclosure

Under the Insurance Act 2015 **you** have a duty to make fair presentation of the risk to **us** before this policy starts, at each renewal and when **you** make any amendment(s) to cover.

This means **you** must:

- a. disclose all material facts of which **you** know or ought to know.
- b. make the disclosure in a reasonably clear and accessible way.

- c. make sure that every material representation of fact is substantially correct and made in good faith.

What is a Material Fact?

A material fact is information that would influence **our** decision as to whether to insure **you** and, if so, on what terms.

For the purposes of the duty of fair presentation, **you** are expected to know the following:

- a. if **you** are an individual (such as a sole trader or individual partner) what is known to **you** and anybody who is responsible for arranging this insurance, or
- b. if **you** are not an individual (such as a limited company or partnership):
 - what is known to anybody who is part of **your** organisation's senior management (this means those people who play significant roles in the making of decisions about how **your** activities are to be managed or organised or anybody who is responsible for arranging this insurance.
 - what should reasonably be revealed by a reasonable search of the information available to **you**. The information may be held within **your** organisation (including, but not limited to, subsidiaries, affiliates, the broker or any other person who will be covered under this insurance.
 - if the insurance is intended to insure subsidiaries, affiliates, or other parties, **you** are expected to have included them in **your** enquiries and inform **us** if **you** have not done so. The reasonable search may be conducted by making enquiries or by any other means.
- c. whether **you** are an individual or not, what should reasonably be revealed by a reasonable search of the information available to **you**.

Breach of duty

If **you** breach **your** duty to make fair presentation of the risk to **us**, then:

- where the breach was deliberate or reckless, **we** may avoid this **policy**, refuse all claims and keep all premiums paid.
- where the breach was neither deliberate nor reckless and, but for the breach, **we** would not have agreed to provide cover under the **policy** on any terms, **we** may avoid this **policy** and refuse all claims, but **we** will return any premiums paid.

- where the breach was neither deliberate nor reckless and, but for the breach, **we** would have agreed to provide cover under this **policy** but on different terms (other than premium terms), **we** may require that this **policy** includes such different terms with effect from its commencement, and/or
- where the breach was neither deliberate nor reckless and, but for the breach, **we** would have agreed to provide cover under this **policy** but would have charged higher premiums, **our** liability for any loss amount payable shall be limited to the proportion that the premium **we** charged bears to the higher premium that **we** would have charged.

For example: if, due to a breach of fair presentation, **we** charged a premium of £200 but **we** should have charged £400, then for any claim submitted and agreed at a settlement value of £1,000, **you** will only be paid £500.

Your policy is designed to be amended easily. **Your broker** will issue a new **schedule** or endorsement each time the cover under the **policy** is altered. **You** must also tell **your broker** if at any time the **sums insured** representing the cost of reinstating the **buildings** shown in **your schedule** are insufficient. **Your broker** may charge a fee for amending **your policy**.

If **you** decide that **you** do not wish to accept this **policy**, please contact **your broker** within 14 days of receiving **your policy**, and providing no claims have been made, **we** will refund any premium that **you** have paid.

Helpful Hints

We recommend that **you** take simple precautions for **your** own safety to prevent accidents and reduce the likelihood of loss or damage. These helpful hints do not form part of **your** policy wording but could avoid distress and inconvenience as well as financial loss.

For example:

Fire prevention

- Check your electrical equipment regularly, make sure that correct fuses are used and check that your tenants do not overload the circuits. Hire a competent electrician if you are in doubt.
- Always ask tenants to unplug non-essential appliances before they go to bed, especially electric blankets.
- Install a suitable fire extinguisher. You should put one in the kitchen.
- Have your chimney swept and flues regularly checked, at least once a year (if your property has an open fire).

Water damage

- Insulate exposed water pipes and tanks in the roof area; this can be done easily with pipe insulation covers that can be bought from a DIY store.
- Turn off the water supply and drain out the system if you leave the property without heating in the winter months. Consider leaving the loft access open so that warm air can move into the roof space to reduce the possibility of the pipes and tank freezing.
- If your pipes freeze, thaw them out slowly using hot water bottles or hairdryers. Never use a blowlamp or warm air paint stripper gun.
- Consider servicing the heating system annually to make sure it is efficient and keeping it in good condition.

Security

- Make sure you have good quality locks fitted to all of your outside doors (five-lever mortise deadlocks to British Standard 3621 or multipoint locking systems on UPVC doors).
- All opening sections of the basement, ground floor or easily accessible windows should be fitted with key-operated locks.

Unoccupancy (Please read Policy Condition 3 - Unoccupied Properties Condition on page 59)

- Tell your local Neighbourhood Watch when the property is going to be unoccupied.
- Make certain that all doors and windows are closed and locked. If you have an alarm, make sure to switch it on.

The most **we** will pay for any one claim is:

- a. The total **sum insured**, or, for each item, its individual **sum insured**, or any other limit of liability in this **section** whichever is the less at the time of the loss or damage. The **sum insured** must be enough to cover the cost of reinstating the **property** in its present form;
- a. The amount of the **sum insured** or limit of liability remaining after deduction for any other loss or damage occurring during the same **period of insurance**, unless **we** agree to reinstate any such **sum insured** or limit of liability.

We aim to settle valid claims promptly and fairly in accordance with the cover provided by this **policy**.

Our dedicated insurance claims team will manage **your** claim, supported on certain occasions by a professional loss adjusting firm and/or a specialist services company to ensure to settle **your** claim for the correct amount and as quickly as possible.

It is important that **you** have complied with the obligations, terms and conditions contained in the policy throughout this **period of insurance**; otherwise, **your** claim may not be paid.

1 – Automatic Reinstatement

In the absence of written notice by **us** to the contrary, in consideration of **sums insured** not being reduced by the amount of any claim, **you** will pay the appropriate additional premium on the amount of the claim from the date of loss or damage to expiry of the **period of insurance**, but this shall not apply in respect of any loss or damage as a result of insured peril k) - Theft or attempted theft.

2 – Basis of Settlement Adjustments

In calculating the most **we** will pay for any one claim, adjustments shall be made in accordance with the following clauses:

a – Reinstatement

Subject to the Special Conditions set out below, the amount payable for **buildings** and **contents** is the cost of the reinstatement of the **property** damaged.

For this purpose, “reinstatement” means:

- a. The rebuilding or replacement of **property** lost or destroyed which, provided **our** liability is not increased, may be carried out:
 1. In any manner suitable to **our** requirements;
 2. On another site.
- b. The repair or restoration of **property** damaged

in either case to a condition equivalent to, or substantially the same as, but no better or more extensive than, its condition when new.

Special Conditions applicable to a – Reinstatement

- c. All the terms and conditions of this **section** and the **policy** shall apply to any claim payable under the provision of this condition.

b – Index Linking (Please note that an index-linked sum insured is not necessarily an adequate one)

The **sums insured** will be adjusted to take into account movements in the appropriate index, and renewal premiums will be based on the adjusted **sums insured**.

For **buildings**, the general building cost index issued by the Building Cost Information Service of the Royal Institute of Chartered Surveyors, for commercial premises or, for residential premises, the Household Rebuilding Cost Index issued for the Association of British Insurers (or other suitable index **we** decide upon) will be used.

For **contents** shown and/or described in **your schedule**, the Retail Price Index (or other suitable index **we** decide upon) will be used. The above percentage changes will continue to be applied between the date of any loss or damage and the date when replacement or repair has been completed.

c – Average (Under-insurance)

If, at the time of loss or damage, the **sums insured** for **your property** are less than the cost of replacement, then **you** shall be responsible for a proportionate share of the cost.

d – Contribution and Average

If, at the time of loss or damage, any other insurance has been effected by **you** or on behalf of **you** covering any of the **property** damaged, **our** liability under this **section** shall be limited to **our** rateable proportion of such loss or damage.

If, such other insurance is subject to average (underinsurance), this **section**, if not already subject to average, shall be subject to average in the same manner.

e – Public Authorities (including undamaged property)

Subject to the Special Conditions set out below, cover for **buildings** and **contents** includes an amount in respect of any additional cost of reinstatement which is incurred solely by reason of the necessity to comply with building or other Regulations under or formed in pursuance of any Act of Parliament, with Bye-Laws of any Public Authority in respect of:

 - c. The amount of any charge or assessment arising out of capital appreciation, which may be payable in respect of the **property**, by reason of compliance with any such Regulations, Bye-Laws or Stipulations.

Special Conditions applicable to e – Public Authorities

- a. The work of reinstatement must be commenced and carried out within a time frame specified by **us** and in any case, must be completed within twelve months after the loss or damage, or within such further time as **we** may allow, and may be carried out upon another site (if such Regulations, Bye-Laws or Stipulations so necessitate), subject to there being no resulting increase in **our** liability.
- b. If **our** liability is reduced by the application of any of the terms and conditions of this **section** or of the **policy** (other than as a result of this clause), **our** liability under this clause will be reduced in proportion.
- c. The most **we** will pay for any one claim in respect of undamaged portions of **property**, other than foundations, is 15% of the total amount for which **we** would have been liable had the **property** been wholly destroyed.
- d. All the terms and conditions of this **section** and of the **policy** shall apply to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause.

f – Sprinkler Installation Upgrading Costs

If, following loss or damage, **we** require the upgrading of any automatic sprinkler installation in order that, at the time of its reinstatement, such installation will conform to Loss Prevention Council Rules current at the time of reinstatement, **we** will pay the costs incurred by **you** provided that, at the time of the loss or damage, the installation conformed to the Loss Prevention Rules authored by the Fire Protection Association (FPA) at the time of the original installation but did not conform to subsequent amendments to such rules.
